

*Ruth Grieco*

## Curriculum

### **Ruth Grieco**

Ruth Grieco comes from Santa Catarina in the south of Brazil. Within the twenty-four years as a designer, Ruth Grieco has become recognized internationally for exquisitely crafted one-of-a-kind pieces; rich in a myriad of Brazilian gemstones that lend color and form to the movement of its wearers. A feature most sought after by clients of Ruth Grieco's work is an 'intelligent, feminine utility' which allow the individual to adapt, attach or detach the piece according to one's mood or need, what she refers as 'sheer creative irresponsibility.'

To this success, the artist, Ruth Grieco understatedly credits not herself or her team of but the beauty inherent in each gemstone that inspires its own creation.

### **Ana Paola de Miranda Grieco Paglioli**

Paola works as financial director at Ruth Grieco Design since 1990 and also manage all the jewellery production in the company.

She is graduated in Industrial Design at Universidade Mackenzie (São Paulo - Brasil) and has extension course in Business at FGV (Fundação Getúlio Vargas, São Paulo - Brasil). She was finalist at the Tahitian Pearl Trophy, 2007.

### **Maria Carolina de Miranda Grieco**

Carol works in national and international Marketing at Ruth Grieco Design since 1990. She is graduated in Industrial Design at Universidade Mackenzie (São Paulo - Brasil) and has extension course in Gemology with Dr Ruy Ribeiro Franco at USP (Universidade de São Paulo, São Paulo - Brasil). She was finalist at the IF Design Awards, 2006.
